# SHOP GOODYEAR FOR THE HOLIDAYS

## It's Easier Than Ever to Enter to Win Great Weekly Prizes!

Now you can just "SHOP and DROP" your entries at four local food stores for the annual **Shop Goodyear for the Holidays** prizes. This year we've added four handy grocery stores in each area of our city to make it more convenient for you to enter:

- Fry's at 390 N. Litchfield Rd., north of Van Buren Street
- Safeway at 14175 W. Indian School Rd., near Litchfield Road
- Fry's Marketplace at 16380 W. Yuma Rd., at Sarival
- Safeway at 9890 S. Estrella Parkway, near Elliot Road
- City Hall at 190 N. Litchfield Rd., south of Van Buren Street

More than \$5,000 worth of prizes have been donated by local businesses and will be awarded at the end of each week, October 14 through December 22. Six grand prizes will also be awarded on December 3, 9, and 16 with the Ultimate Grand Prize drawing from Osborne Jewelers on December 22 at Goodyear City Hall. There will be at least 11 winners every week. See list of sponsoring businesses here.

By shopping at local businesses, you will help keep local dollars right here in Goodyear, working for you. Retail sales tax dollars make up nearly 30% of the City's operating budget and pay for police, fire, streets, parks and recreation, the *INFOCUS*, and many more City services.

So... shop Goodyear stores for the holidays and get your entry online at [goodyearaz.gov/shop](http://goodyearaz.gov/shop) or click on **Shop Goodyear** on the City's homepage, or in person at Goodyear City Hall and each grocery store drop-off location.

To enter, hand-deliver entry forms stapled to *original* receipts for general merchandise, food, beverages, groceries, fuel, or services such as those provided by nail, hair, and skin care salons, totaling \$25 or more from only Goodyear stores and restaurants to all five drop-off locations or mail to: Goodyear City Hall, 190 N. Litchfield Road, Goodyear, AZ 85338. You can enter as many times as you like per week with at least \$25 worth of original receipts attached to each entry.

Winners need not be present for the drawings, but participants must be 18 years or older to enter. City employees are not eligible to participate. For information, contact Cathy Hozian at 623-882-7055 or [chozian@goodyearaz.gov](mailto:chozian@goodyearaz.gov).

## Fill-A-Need Program Hopes to Brighten Holiday for Goodyear Families

Donations will be accepted through December 2nd for Goodyear's Fill-A-Need program to help brighten the 2011 holiday season for families in need. The program traditionally provides gifts for children such as toys, clothing, and school supplies thanks to the generous donation of gifts and money by City of Goodyear employees, residents, and local businesses.

Citizens, businesses, and civic organizations can participate in the program by donating items such as new unwrapped toys, money, holiday gift wrapping supplies, and service. Cash donations are especially welcome and compliment the generous discounts given by retailers. Make checks payable to Adopt a Family. Donations of items and cash can be brought to Goodyear City Hall lobby at 190 N. Litchfield Rd. at the corner of Litchfield Road and Van Buren Street. Please leave donated items unwrapped.

All donations and purchased items are wrapped and personally delivered by volunteers. In 2010, more than 30 families experiencing crisis or extreme financial difficulty were served.

If you feel your family is in need of help this holiday or you know of a family that is, you can go to the City of Goodyear website: [www.goodyearaz.gov/fillaneed](http://www.goodyearaz.gov/fillaneed) for a Public Assistance Verification form which is used to determine eligibility. Arizona law requires state and local governmental agencies to obtain forms and other documentation from individuals applying for federal, state, and local public benefits to verify eligibility.

To learn more about the Fill-A-Need program, call 623-882-7113.

### Goodyear – In a Strong Position for the Future

While this recession has been rough on everyone living and working in Goodyear and has put many City projects on hold, it actually helped Goodyear's ability to attract new jobs to our city. By the beginning of 2008 with the impact of the recession hitting full force, Goodyear had almost 1.6 million square feet of newly constructed spec industrial space plus another 750,000 square feet that had been sitting vacant for years. So, during the recession, when word got out nationally about the Valley's depressed real estate market, companies with money searched vigorously in the Valley and Goodyear benefited because we had available space. Since early 2008, we have recruited a national cancer hospital, two internet fulfillment centers, five manufacturing companies (three solar), one distribution firm, one aerospace consulting firm, and one data storage center; we have retained a major technology firm whose lease was up; and helped several Goodyear companies expand. The total employment of these companies is currently about 1,859 with the possibility of eventually growing to more than 2,500. Additionally, we have attracted hundreds of construction jobs because of the improvements made by these many firms. As a result of all this economic activity, we have only about 250,000 square feet of industrial space in total remaining throughout our city, and most companies we are currently working with are considering ground-up construction – great news for our city.

These new firms have changed Goodyear for the better. They have added diversity to our industrial mix. They have increased the international influence on our city that Lufthansa of Germany and Oxford Aviation of Great Britain had already created – Suntech is based in China, Schoeller Arca Systems in The Netherlands, and Saint Gobain in France. We are seeing an emerging "solar cluster" in our city – Suntech and Saint Gobain plus Macy's with the largest rooftop solar system in the country.

To help attract these companies, Goodyear has been a leader in the Valley in creating Foreign Trade Zones that help these global companies with import rates. The Foreign Trade Zone (FTZ) helped attract J.D. Power & Associates award-winning, luxury appliance manufacturer Sub-Zero to Goodyear. Additionally, Schoeller Arca and Suntech will soon take advantage of this program.

While industry has prospered in Goodyear during the recession, retail has held its ground better than many people may think. We began the recession with more than 1.5 million square feet of retail space newly completed – far more than any other Valley city. Our vacancy rate was high – about 25%. During the recession, that space had been consistently absorbed and our vacancy rate has lowered to less than 15%. We had a net gain of 66 new retail businesses in 2010 and have a net gain of 96 so far in 2011. So as businesses close, new ones are taking their place and some of our shopping centers are 100% full. And, the best news of all was when Macerich demonstrated great confidence in Goodyear and its residents by announcing that our regional mall is coming in 2014.

So, despite the recession, Goodyear is strong. We have a balanced budget, we retain one of the lowest unemployment rates in the state (6.4%), our retail vacancy rate is going down, our industrial vacancy rate is very low, we are bringing new jobs to the City AND, for the second year in a row, we are one of the top five Valley cities for single family building permits in the Valley. I'd say that Goodyear is on the right track, and I have great confidence in our city. I hope you are pleased with the progress we have made during the recession and know that we are poised to take advantage of better times ahead.

Georgia Lord

## Council Corner

Councilmember Sheri Lauritano

### Communication is The Key

In the age of smart phones, texting, e-mail, and Facebook, we are living in the era of immediate communication. Technology can help us all work smarter and more efficiently. As a

member of City Council, I believe that we can use technology to better stay informed with the citizens of Goodyear. It helps us know what you are thinking and where you stand.

As issues come up, we are able to obtain feedback from the citizens whether they are in town or away. It also allows us to obtain answers to our citizens' questions quicker and with more in-depth responses. Tools such as Facebook, Twitter, and Four Square help to increase transparency in government and community involvement.

However, we also need to take time to meet with you in person during listening sessions. Myself and Councilmember Campbell, recently conducted one in Estrella. I plan to hold more community forums with our residents and with the members of the business community. I want to hear about your thoughts and concerns. It is always beneficial to look at a situation or an issue from a different perspective.

Remember, your council is working for you and we are here to listen. The quality of representation is directly related to the quality of feedback. Please feel free to e-mail, call, or write when you have a question or concern. I look forward to meeting with you all soon.

## City Volunteer Program Marks Major Milestone

### City Manager John E. Fischbach

I'm proud to announce that the City's Volunteer Program has reached the momentous \$1 million mark in savings to the City of Goodyear this past fiscal year. This program, now in its fifth year, is under the direction of coordinator Judi Switanek. It has been an incredible help to both the City of Goodyear as well as to our community. At least nine of our City departments regularly use volunteers to supplement their staffing and refer to these people as "invaluable." Many volunteers also do work out in our community that otherwise would require City staff time such as for G.A.I.N., Fill-A-Need Program, the Ballpark and Spring Training events, cleaning weeds from alleys and right-of-ways, painting fire hydrants, and more. Through June of 2010, the program has accumulated a total of 57,088 volunteer hours for a total savings of \$1,142,859. The hourly rate that it is based on is provided by Independent Sector which is used by most non-profits and government agencies.

Another volunteer program celebrating a milestone is the "You Are Not Alone (YANA) Program," which is celebrating its one-year anniversary this month! YANA is a free program offered by the Goodyear Police Department's Volunteers in Police Services (VIPS). This program provides regular phone calls and home visits to seniors who have limited family or community contacts. Seniors can also call YANA for help finding specific services and resources.

Additionally, G.A.I.N. has become an incredibly successful annual event thanks to the hours and hours of work the dedicated committee of volunteers (shown here) puts into this neighborhood-oriented event.

We can't thank all the people enough who volunteer their time to help the City and to help others in need. *It is your hearts and your help that make a difference in this city.*

Front row: Mary Salais, Marsha Kornegay-Hill, Lili Schuett, Jane Gasch. 2nd row: Jackie McLaughlin, Mishele Revelo, Joan Dart. 3rd row: Jim McLaughlin, Sly Markovic, Jim Evans, Barb Missaggia, Jocelyn Boehme, Tammy Campbell, Donna Beuthin, Sam Rutledge, Brian Bering. Back row: Bill King, Catherine King, Dave Alexander, Elaine Schmerbeck, Chuck Watson, Carol Watson, Debbie Vivian, Dave Schock. Absent: Kiesha Beard, Steve Royer, Susan Lutz, Jackie Lavin, Wally Campbell.

## Economic Development Marketing Campaign Wins Five National Awards

Goodyear's Economic Development Department's *Leading Edge Campaign* was the recipient of five national awards in September from 3CMA, the national association of municipal marketing professionals, and from International Economic Development Council (IEDC).

At the City-County Communications and Marketing Association (3CMA) national conference, Goodyear was honored with two second place awards for the *Leading Edge Campaign/Showcase* and the *Leading Edge Video* as well as an Award of Excellence for the *Leading Edge Brand/Logo*. The award-winning logo, brochures, and collateral materials were designed in-house by Goodyear's Graphic Designer Michael Leone. The video was created by an outside firm, but directed by Goodyear Public Information Officer Nora Fascenelli.

The (IEDC) awards, presented at the national conference in North Carolina, were for the *Leading Edge Brochure* and for the *Leading Edge Campaign*.

The brochures, logos, invitations, video, and collateral materials used a modern, metallic, chiseled "edgy" look that emphasized access to key transportation corridors, proximity to West Coast markets, high quality of life, notable businesses, and ready workforce. More than 1,000 "leave behind" brochures and take-away packages have been distributed at trade shows and conferences nationwide, and the *Leading Edge* video continues to serve an integral role in Goodyear's aggressive promotional effort to attract jobs to our city.

## Vice Mayor Osborne Receives Scholarship to National Leadership Summit

Vice Mayor Joanne Osborne received the Fourth Annual Michael H.T. Lynch Memorial Scholarship to attend the National League of Cities 19th Annual Leadership Summit, "Inspire, Change, Lead: The Art of Possibility." The \$2,500 scholarship was awarded by the National League of Cities, and covered the vice mayor's registration fee, airfare, travel, and lodging expenses for the three-day event last month in Minneapolis, Minnesota. The Leadership Summit is a professional development retreat for local officials, promoting success and understanding of leadership roles and responsibilities.

## Goodyear Veterans to Reap Benefit of Make A Difference Day

*Make a Difference Day* – October 22 – is a day when people nationwide help their neighbors in need.

The owners and executives of West Valley businesses are working together for this annual volunteer day to make a difference in the lives of military veterans in our community and to be a catalyst for positive change in the community. City of Goodyear Customer Service Supervisor Connie Stepnitz is a member of this 2011 West Valley *Make a Difference Day* Leadership Team. One of their projects will be painting the homes of disabled veterans in Goodyear on that day. The veterans were identified with the help of the YANA program (referred to in the City Manager's column). Stepnitz says they are still seeking volunteers. If you would like to help, please call Connie at 623-882-7876.

The City of Goodyear's volunteer program, under Judi Switanek, is also targeting Goodyear YANA members for *Make a Difference Day* projects. One of the projects is to help them with outside landscaping for the homes of YANA members who are not able to keep up with their yard work. Another is to team with the Valley of the Sun chapter of Rebuilding Together, the largest volunteer home rehabilitation organization in America, for their Paint-A-Thon to help paint the homes of any Goodyear veterans or low income seniors chosen for the Rebuilding Together program.

Other *Make a Difference Day* projects include high school students painting fire hydrants in Estrella, cutting weeds in abandoned lots, spreading rock, painting walls, and/or cutting weeds at City well sites.

## Three City Commissions Seeking New Members

### Arts and Culture Commission

The Arts and Culture Commission is a Council-appointed volunteer body that guides the City's Public Art Program by making recommendations on policy matters to City Council and staff. The commission is committed to identifying and developing a common artistic and cultural personality for Goodyear that embraces, celebrates, and unites all of our diverse histories, beliefs, cultures, and aspirations. Commissioners actively engage the community and advocate for art in public places, arts programming, and arts education. Members, who must be residents of Goodyear, should have knowledge or interest in the visual arts. Commissioners recommend priorities for the public art program, including the allocation of funds designated for the Public Art Project Plan. Positions are open for two new voting members and one alternate member for a term of three years and a possibility of a second 3-year term.

**Deadline is October 19.**

### Fire Safety/Building Code Enforcement Appeals Board

The Fire Safety/Building Code Enforcement Appeals Board meets quarterly to hear appeals on technical interpretation issues on fire and building safety codes. Board members must have experience and training to pass upon matters pertaining to building construction, building service equipment, fire protection systems, and property maintenance and who are not employees of the City of Goodyear. Members are not required to be a resident of Goodyear. Seven positions are available with terms varying from one to five years.

**Deadline is October 31.**

### Youth Commission

Eleven new members are needed for the Youth Commission which provides a voice on how City government can be more responsive to youth needs and interests. The commission serves two purposes: (1) provides a venue for students to develop leadership skills through involvement in city government, and (2) creates a format for students to express their voice on a variety of youth-related issues. Commission members must be residents of Goodyear. High school freshman and sophomores from these schools that serve Goodyear residents may apply: Verrado, Desert Edge, Millennium, Estrella Foothills and Agua Fria high schools. Home-schooled, private and alternative high school students who live in Goodyear may also apply. Eight positions with 2-year terms and three positions with 1-year terms are available. **Applications taken until commission is full.**

For more detail on these commissions, go to [www.goodyearaz.gov/boardsandcommissions](http://www.goodyearaz.gov/boardsandcommissions).

## Overseeding Without Over-watering

Dial back the water as soon as that winter grass starts growing. If you continue watering winter grass four times a day through the winter, it will be getting 40 times as much as it needs by December! Adjust your irrigation timer settings regularly.

### Right After Planting: Water Frequency for New Grass

- Week 1: Every 6 hours during daylight
- Week 2: Every 12 hours
- Week 3 and 4: Daily in morning
- Week 5 and 6: Every 2 days in morning
- Beyond 6 weeks: Taper to every 10 days in November (Grass is now established)

If you don't over-seed, reduce watering of summer grass to once every two weeks in November. After the first heavy winter rain, water it only monthly until March. Lowering your water bills in the winter will lower your Winter Quarterly Average (WQA) water usage which serves as the basis for your sewer charges for the following year and could help lower your sewer bills as well.

## Plant Now For Success

It is a great time to plant trees, shrubs, and perennial accent plants as well as autumn vegetables because the tips of the new growth are no longer likely to be sunburned. Cooler temperatures reduce the shock of change and the amount of water required to keep new plantings healthy.

Need suggestions on what to plant? View plants that thrive in our desert community at [amwua.org/plants](http://amwua.org/plants) or pick up a free print copy of Landscape Plants for the Arizona Desert at City Hall at 190 N. Litchfield Rd. or the Public Works Administration Building at 4980 S. 157th Ave.

Free classes are available to help you take care of those plantings. Find more information about classes online and sign up at [www.goodyearaz.gov/h2o365](http://www.goodyearaz.gov/h2o365).

## Adult Sports Winter 2011 Registration

Registration continues until registration deadlines. Registration is by lottery on the dates and times determined by team priority. Adult sports programs register as teams, not as individuals. There is no online registration. Forms are available at the City of Goodyear website, [www.goodyearaz.gov](http://www.goodyearaz.gov), at the Parks and Recreation Office, or can be e-mailed to team managers.

Our adult sports programs offer excellent recreational opportunities for Goodyear adults age 18 years and older. Emphasis is placed on healthful competition in a recreational atmosphere. Leagues are organized, conducted, and administered by a professional staff with expertise in league formation and equal competition, in an effort to offer the best recreational experience possible.

The registration fee pays for: officials/umpires, trophies or gift cards for 1st and 2nd place league finishers, award shirts for 1st and 2nd place tournament finishers, Little League uniforms, game balls, equipment, marketing, lights, maintenance, field supervisors, and score keepers.

## Adult Player Free Agents

If your team needs a few more players or if you are an individual looking to join a team, use our Free Agent list. Free Agent lists are available only to registered team managers in person at the City of Goodyear Recreation Office. To add a player to our Free Agent list, e-mail your name, age, address, home phone, work phone, cell phone, skill level, positions played, league, and night of play you are interested in and provide proof of residency that you are a resident of Goodyear. You must be at least 18 years of age. Player Free Agent forms will be distributed to all Adult Basketball, Flag Football, Sand Volleyball and Softball managers. There are no guarantees that you will be placed on a team.

## Softball

Due to the heavy volume of requests for league play at the Goodyear Community Park, registration will be determined by lotteries. Lottery authorized representatives must be present for the lottery related to his or her team roster. The deadline for submitting a roster is Friday, December 2, 2011. To help ensure equitable allotment of nights and times, leagues will be awarded by priority. If any slots remain unclaimed after the lottery, registration will be taken on a first come, first serve basis.

The City of Goodyear Parks and Recreation Department has changed the registration format and fees to help increase participation without the hassle of collecting signed rosters at the time of lottery registration. The procedure requires team managers to collect signatures at their first scheduled game before any player takes the field. If a player is absent, they are allowed to sign the roster the following week. If you are playing with illegal players or non-rostered players, you will forfeit those games that non-rostered/illegal players were used – NO EXCEPTION! The new Goodyear resident rate price will be \$375 per team. The Goodyear resident rate is 50% Goodyear residents plus one on your roster and/or a Goodyear business sponsored team. The percentage of Goodyear residents will be based on the number of minimum rostered players at 12. Non-resident teams will consist of anything below 50% and their league fee to play will be \$450 per team.

Next Softball season will be spring 2012 with registration taking place February 2012. Min/Max: 6/8 teams to run a league; 12/16 players on a roster.

More than the skills of baseball learned through the experience, the value of the Little League Challenger Division is found in the proven therapeutic and socialization benefits of participating in sports, the strengthening of self-esteem, the opportunities to mainstream into other divisions of play, and the disciplines of teamwork, citizenship, and fair play, which are hallmarks of the Little League program.
