

Adam Kurtz
Sanitation Supervisor
Public Works

Has worked for the city: 15 years

What are you currently working on?

I'm working on a transition plan for the new trash and recycling contract that will start next fiscal year. I'm also working on filling new positions for our division.

Favorite thing about working for the city?

Being a part of a team that provides essential services to the residents of Goodyear. I am also a big kid at heart and love being around trash trucks, tractors, and other heavy equipment.

Favorite Core Value:

If I had to choose only one, it would have to be integrity. With integrity at the center of everything you practice, you know you are doing the right thing no matter what the situation may be.

What do you do when you're not at work?

I enjoy spending time with family, playing the drums, listening to vinyl records, and camping up north.
