

Dane Scheckel

Police Officer

Has worked for the city: Since July 2016

What are you currently working on?

I am currently working on expanding and developing the city's Crime Free Multi-Housing program, which is a crime prevention program designed to reduce crimes, drugs, and criminal activity on apartment complex properties. My goal is to have every multi-housing complex within Goodyear to obtain their Level 1 certification by the end of this year.

Favorite thing about working for the city?

My favorite thing about working for the city is the amazing people I work with and the ability to serve the wonderful members of our growing community.

Favorite Core Value:

While I believe all six of the core values are important, my favorite is integrity. I was raised in a household where I was taught to be honest in all that you do and to always do the right thing, even when no one else was watching you. This is a trait that has carried on within me through today being a police officer, where integrity is the foundation in all that is done within law enforcement.

What do you like to do in your spare time?

Spend time with my wife, Vanessa, and two boys, Lincoln (two-years-old) and Lawson (seven-months-old). I also like to play drums/guitar and also hunt/fly fish.
