Parks and Recreation

How long have you worked for the city?

I have worked here for 3.5 years part time and 1.5 years full time.

What are you currently working on?

I am currently working on implementing a bat tester for adult softball. Safety is something we strive for in recreation, and implementing the bat tester will make our adult softball program safer and more enjoyable for all participants.

Favorite thing about working for the city?

Collaborating with different departments and knowing we are all one team.

Favorite Core Value:

My favorite core value would have to be adaptability, just because I adapted very well into the Recreation team.

What do you like to do in your spare time?

In my spare time I like to do yard work, projects around the house, watch movies, woodworking, and go on adventures with my wife.

Fast Facts

If you could have one superpower, what would it be?
