How long have you worked for the city?

Seven years.

What do you do?

Working in Accounts Payable allows me to have a working relationship with each department and also our outside vendors. We process payments to our vendors and direct invoicing to the appropriate departments for processing.

Favorite thing about working for the city?

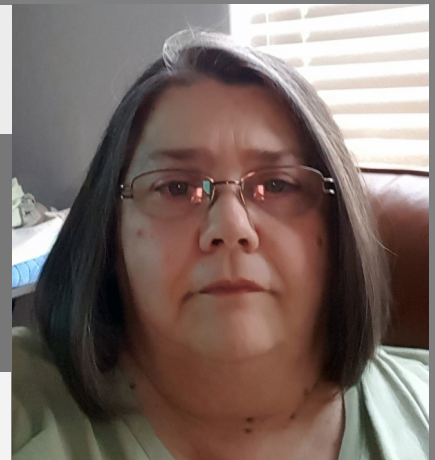

All of the opportunities that are available to our employees, and the family it creates.

Favorite Core Value:

Integrity is my favorite. People need to be able to trust that I will do the right thing no matter the circumstance.

What do you like to do in your spare time?

Travel.
