Goodyear Fire Department**

How long have you worked for the city?

As a volunteer, since 1995. I officially started in 1998.

What do you do?

I am a fire captain on E186 B-Shift, and I have accepted a long-term temporary assignment on Battalion 181 as a Safety Officer for Chief Russ Braden. My major duties are as a safety officer on large incidents and ensuring our staffing is current, within policy, and accurate each day.

Favorite thing about working for the city?

The endless opportunities I've had over the years to work with and meet new people has to be my favorite part of working for Goodyear.

Favorite Core Value:

Integrity, with Adaptability as a very close second.

What do you like to do in your spare time?

Spend time with the family and work in the shop at home. I enjoy creating unique projects in metal and wood.
