Bobbie Fulbright Development Services

How long have you worked for the city?

Twenty-three years.

What are you currently working on?

I work on the Development Services team. We handle business licenses, planning and zoning issues, plan reviews and building safety permits. I'm working on the Planner of the Week, Development Impact Fees, and Plan Review.

Favorite thing about working for the city?

All of the new development and seeing the success that businesses have here in Goodyear. For example, Harkins Theater.

Favorite Core Value:

Integrity—be trustworthy. I think everyone conducts themselves with the highest degree of honesty.

What do you like to do in your spare time?

I like to go golfing, camping, paddle boarding and spend time at the lake.
