**How long have you worked for the city?**

Six-and-a-half years.

**What do you do?**

I'm in Water Reclamation. I oversee other operators and the city's wastewater operations. We completely treat the wastewater coming into the facility to make sure it's safe before we put the water back in the aquifer.

**Favorite thing about working for the city?**

The other operators on my team.

**Favorite Core Value:**

Initiative.

**What do you like to do in your spare time?**

Spend time with my family.
