

## Lupe Laborin-Romero Development Services

### How long have you worked for the city?

A year and eight months.

### What do you do?

I'm a code compliance officer. I help make sure the city is in tip-top shape, which helps maintain property values for our residents. I inspect, investigate, interpret and enforce pertinent codes, ordinances, laws and regulations such as public nuisance, zoning, property maintenance and public health and safety issues.
