How long have you worked for the city?

Twelve-and-a-half years.

What do you do?

I provide the finest mail services money can buy, while also assisting the procurement office in requisition processing, contact renewals, contract database management, request for quotes, and anything else my team needs of me.

Favorite thing about working for the city:

My coworkers.

Favorite core value:

Adaptability.

What do you like to do in your spare time:

What's this "spare time" you speak of?

Fast Facts

What did you want to be when you grew up:
Police officer

Cannot start the morning without:
Coffee

Favorite kind of music:
Country

Favorite movie:
Top Gun

If you won \$1 million:
I would invest! Let your money work for you
