## Alfredo Macedo Engineering—Streets Division

### How long have you worked for the city?

Six months.

### What do you do?

I'm a Heavy Equipment Operator. I am responsible for operating heavy construction and maintenance equipment in a variety of maintenance activities, including excavating, trenching, and blading, as well as various skilled maintenance tasks.

### Favorite thing about working for the city:

Operating the big equipment - the "BIG TOYS!"

### Favorite core value:

All of them. As a person, I have always demonstrated these core values; I was just raised right.

### What do you like to do in your spare time:

Play softball with Verrado's Beer Drinking Softball League (current championship holders) and spend time with family.

### Fast Facts

What did you want to be when you grew up:

**Agricultural Engineer**

Where did you work before this position:  
**City of Buckeye, Heavy Equipment Operator**

Dream vacation:  
**Greece and Spain, for their beauty and culture**

Favorite quote:  
**Cowards will never be heroes**
