

## George Scura Engineering—Traffic

### How long have you worked for the city:

Five years.

### What do you do:

I do repairs and maintenance on the city's traffic signals.

### Favorite thing about working for the city:

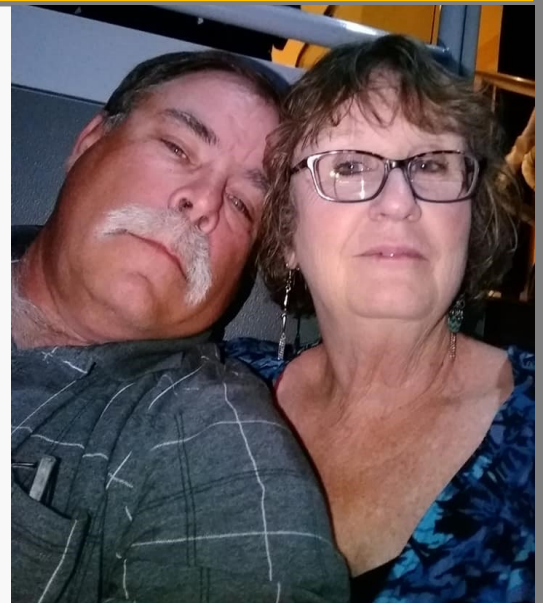

The city has good benefits, and I'm on a great, supportive team.

### Favorite core value:

Adaptability, because things always change to stay up-to-date.

### What do you like to do in your spare time:

I love woodworking.

### Fast Facts

Where did you work prior to joining the city:

**Orange County, Florida—also in traffic**

What do you find challenging about the work that you do:

**Working in traffic and dealing with the heat**

What advice do you have for someone entering your field of work:

**Make sure that you're able to work outside in all weather conditions**

Next on your bucket list:

**Ride in a hot air balloon**
