**Lori Ohrt**

**Goodyear Police Department**

**How long have you worked for the city:**

It was 15 years in May.

**What do you do:**

I am the supervisor for the Goodyear Police Department's Crime Scene Unit & Property Unit. The Crime Scene Unit responds to major scenes to assist with investigations using our knowledge, training and special equipment. The Property Unit acts as the "gatekeeper" for any and all property and/or evidence impounded by our police personnel.

**Favorite thing about working for the city:**

Definitely the people I work with within both units and the personnel I work with on a daily basis.

**Favorite core value:**

Empathy. I see a lot of unpleasant situations and it requires a lot of empathy for the people involved.

**What do you do for fun when you're not working:**

Genealogy, repurpose and refinish used furniture, camping and baking.

Favorite quote:  
"My philosophy is that it's none of my business what people say of me and think of me. I am what I am, and I do what I do. I expect nothing and accept everything. And it makes life so much easier." - Sir Anthony Hopkins
