### How long have you worked for the city:

Four months.

### Where did you work before this position:

I was with the Paradise Valley Police Department.

### What do you do:

I am the manager of the 911 communications center. I oversee all aspects of dispatching, radios and equipment needed to facilitate communication with citizens and field units.

### Favorite thing about working for the city:

The people I work with. They are dedicated, talented and fun.

### Favorite core value:

Optimism. I think it's key to all the others - it brings joy and peace and can give you a reason to keep pushing through tough things because you have that hope that things WILL be better. I think it's especially important right now while we are facing some very challenging and difficult issues that are all piling up on top of each other.

### Fast Facts

What do you like to do for fun:  
I travel, cook and hang out with my family.

Favorite movie or book:  
It's difficult to pick my favorite book. Some at the top of my list include *The Grapes of Wrath* by Steinbeck and anything by Lee Child, David Baldacci or Jane Austen.

Dream vacation:  
A cabin on the beach for a month. A deserted beach...

Favorite quote:  
"What we love determines what we seek. What we seek determines what we think and do. What we think and do determines who we are - and who we will become." Dieter F. Uchtdorf
