Matthew Reeg Engineering

Where did you work before this position:

I have previously worked for Southwest Traffic Engineering, LLC and for the Arizona Department of Transportation (ADOT). I worked at each for approximately 4.5 years.

What do you do:

I am the assistant traffic engineer. My goal is to help the city provide a safe and efficient transportation system that places a high priority on safety and promotes sustainable development.

What certifications do you have:

Registered Professional Engineer (PE) (AZ) and Professional Traffic Operation Engineer (PTOE).

Fun Facts

What do you do for fun:

Golf! I play as much as I can. I have probably played Palm Valley Golf Course more than 200 times.

Where are you originally from:

I was born in Tempe, Ariz. I have lived in Arizona my entire life, and I have been a Goodyear resident since 2001.

Anything else that you'd like to share?

I am a proud graduate of Millennium High School.
