What do you do:

I work to preserve and enhance the character of Goodyear by promoting civic engagement and facilitating access to government. I am responsible for promoting citizen involvement in community issues and serve as a liaison between the city, community leaders and nonprofit groups, as well as homeowner and neighborhood associations.

Favorite thing about working for the city:

My favorite thing about the city are the staff and residents. I have met a lot of great people who are actively involved in building a vibrant Goodyear!

Favorite core value:

My favorite core value is empathy. Empathy is important in almost every aspect of daily life. It allows us to have compassion for everything and every person around us and it has a huge impact on the world.

What do you do for fun when you're not working:

I enjoy traveling with my family and spending time with my two dogs. If we aren't traveling with the boys, then my husband and I are out riding on our motorcycle.
