Monica Rabb Public Works

What do you do:

As Environmental Program Manager, I support staff in developing a compliance system that ensures that the city of Goodyear complies with applicable requirements. I work to ensure staff has the knowledge and resources needed to conduct environmental inspections, perform sampling and respond to customer questions and concerns.

Where did you work before:

City of Flagstaff Water Services.

Favorite thing about working for the city:

Everyone I have talked to says that this is the best city they have worked for.

Favorite core value:

Integrity, for sure. The other values can be misplaced if you don't have integrity first.

Fun Facts

Cannot start the morning without:
Coffee

What do you like to do for fun:
Go hiking, read, volunteer and travel

Favorite book:
A Town Like Alice

Dream vacation:
Southwestern Europe

Next on your bucket list:
Vacation to South America, see the Galapagos and Machu Picchu
