**What do you do:**

I’m the Community Engagement Coordinator in Neighborhood Services. I help our residents navigate the complexity of our government, and I work to build the capacity of our residents to engage civically, constructively.

**Where did you work before:**

Goodyear Police Department with Telecommunications (911) for eight years. Prior to that, I was a missionary/pastor living in Honduras, Costa Rica and Mexico for the better part of 10 years.

**Favorite thing about working for the city:**

I work with an amazing team of people who are committed to making this city one of THE best places to live, work and play.

**Favorite core value:**

Empathy – it’s too easy to judge a book by its cover. I want to always walk a mile in someone else’s shoes. Everyone has a story and those stories can change lives when we take time to listen.

**What do you do for fun:**

I love to travel. I have a passion for Central and South America, (and especially Cuba). I love to explore new places, meet new people and learn new things about culture, language and history.
