Nicole Adamson Public Works

What do you do:

I'm the Management Assistant for Public Works. I typically manage several special projects at any given time and assist the Director and Public Works management with special tasks. I also work on the Public Works Safety Committee and the Public Works Rewards, Recognition and Events (RR&E) committee, and I currently chair the citywide RR&E committee. I love coming to work every day!

Where did you work before:

City of Glendale, Billing & Customer Service Department for 13 years.

Favorite thing about working for the city:

There are many favorite things, but if I had to pick just one it would have to be working with the Public Works team. There is nothing quite like this group of people. They're just amazing!

Favorite core value:

All of them. They are the perfect mix for greatness and why the city of Goodyear is the absolute best place to work!

What do you do for fun:

My happy place is spending time with my husband, my seven-year-old baby boy, and our three Shih-Tzu's. We love camping at Alamo Lake, the Dunes, and anywhere up north in the pine trees. Each trip then leads to all kinds of fun riding our CanAm or quads. If we're not camping, then we're hanging poolside in our backyard. Good Times!

Fun Facts

What did you want to be when you grew up:

LOL. I still don't know!

Cannot start the morning without:

A hug from my beautiful baby boy. And caffeine, of course.

Dream vacation:

Ireland to check out some ancestry and Bora Bora.

Next on your bucket list:

Take our kiddo to Atlantis in the Bahamas. My future bucket list item is to visit Pompeii, Italy and Greece.
