Justin Fair

CIO, Information Technology Department

What do you do:

I lead a great team of IT professionals here at Goodyear. We are always looking for ways to help support the city's employees and the residents of Goodyear, to find efficiencies and to realize value through the use of technology.

Where did you work before:

UMC Health System in Lubbock, Texas.

Favorite thing about working for the city:

The culture and the collaboration between departments.

Favorite core value:

Optimism – I joined the city of Goodyear in the midst of the pandemic, and the city's employees have all shown great optimism through these difficult times.

Fun Facts

What did you want to be when you grew up:

A high school coach

Cannot start the morning without:

Coffee

Favorite sports team:

Arizona Cardinals

Favorite movie or book:

Dichotomy of Leadership by Jocko Willink

Favorite quote:

"Dream big. Start small. But most of all, start." - Simon Sinek
