

Hugh Bigalk Engineering

Explain what you do:

I have worked for the city of Goodyear for 14 years. I'm the city's Traffic Engineer, and I manage almost anything transportation-related in Goodyear: Street Maintenance & Sweeping, Pavement Management, Transit, Traffic Signals, Traffic Management Center, Signage and the city's fiber optic network.

Favorite thing about working for the city:

Finding solutions to everyday problems, keeping the city moving and helping it grow.

Favorite core value:

Adaptability.

What do you do in your spare time?

Restore/upgrade old semi trucks and watch Boston Red Sox baseball and Dallas Stars hockey.

Favorite sports team:

Boston Red Sox

What did you want to be when you grew up:

Truck driver

Favorite restaurant:

Oreganos

Cannot start the morning without:

Diet Mountain Dew

Favorite quote:

"No, that's correct!" - Norm MacDonald playing Burt Reynolds on SNL's Celebrity Jeopardy
