DEVELOPMENT AGREEMENT FOR LAKIN PARK

This Development Agreement for Lakin Park is entered into by and between W/C Lakin 1B VIII, L.L.C., a Delaware limited liability company and the City of Goodyear, an Arizona municipal corporation. W/C Lakin 1B VIII, L.L.C., a Delaware limited liability company and the City of Goodyear are sometimes referred to individually as Party and collectively as Parties.

RECITALS

A. WHEREAS, W/C Lakin 1B VIII, L.L.C., a Delaware limited liability company owns approximately 83 acres of land generally located at the southwest corner of MC 85 and Cotton Lane commonly known as Lakin Park and as more particularly described in Exhibit A attached hereto and incorporated herein by this reference (the "Property").

B. WHEREAS, for the City to provide sewer service to the Property, Owner is required to install sewer infrastructure in accordance with engineering design plans approved by the City Engineer or his/her designee.

C. WHEREAS, Owner submitted engineering plans titled Lift Station Force Main, Phase 1 Lakin Park (HTE 20-5472), which were approved on June 11, 2021 and which were subsequently amended three times.

D. WHEREAS, the Original Approved Plans, as defined below, identified the sewer infrastructure Owner was required to construct and/or install.

E. WHEREAS, the sewer infrastructure Owner is required to construct and/or install pursuant to the Original Approved Plans, included the construction of the Lakin Park Lift Station within Parcel A of the Minor Land Division for Lakin Park recorded in the Official Records of Maricopa County Recorder at Book 1588 of Maps Page 30, Instrument No. 2021 0480315 and the installation of a force main within the Cotton Lane alignment from the Lakin Park Lift Station to a sewer interceptor at Elwood Street (the "Cotton Lane Force Main").

F. WHEREAS, the Cotton Lane Force Main was to be encased in steel casings consistent with the Original Approved Plans where the Cotton Lane Force Main was to be installed under MC/85 and the Union Pacific Rail Road (“UPRR”) tracks and where the Cotton Lane Force Main was to be installed under Commerce Drive (collectively the “Cotton Lane Force Main Casings”).

G. WHEREAS, the Cotton Lane Force Main Casings are required to allow City staff to maintain the Cotton Lane Force Main located within the Cotton Lane Force Main Casings without tearing up MC/85 and Commerce Drive where the Cotton Lane Force Main crosses those roadways and without the need to work through UPRR’s processes.

H. WHEREAS, the Cotton Lane Force Main Casings were not installed in accordance with the Original Approved Plans.

I. WHEREAS, the City is unwilling to accept the Cotton Lane Force Main as constructed because the Cotton Lane Force Main Casings were not installed in accordance with the Original Approved Plans.

J. WHEREAS, the cost of removing the Cotton Lane Force Main Casings that were installed and replacing them with casings that were required in the Approve Plans is cost prohibitive and the City has been asked to allow by-pass casings that meet City requirements to be installed within the Cotton Lane alignment under MC/85 and the UPRR tracks and under Commerce Drive as an alternative solution to removing and replacing the Cotton Lane Force Main Casings that were improperly installed (the “By-Pass Cotton Lane Force Main Casings”).

K. WHEREAS, the City is willing to allow the installation of the By-Pass Cotton Lane Force Main Casings as an alternative to Owner removing and replacing the existing Cotton Lane Force Main Casings subject to the submittal of engineering plans demonstrating that the By-Pass Cotton Lane Force Main Casings will work as represented.

L. WHEREAS, under applicable Development Regulations, no temporary certificates of occupancies or permanent certificates of occupancy for any structure within the Property can be issued until all of the sewer infrastructure identified in the Approved Plans have been completed and accepted by the City Engineer or his/her designee, subject to completion of the two-year warranty period.

M. WHEREAS, Owner has a tenant for the Structure and has asked that the City issue a temporary certificate of occupancy for the Structure before the By-Pass Cotton Lane Force Main Casings have been completed and accepted by the City Engineer or his/her designee.

N. WHEREAS, subject to the terms and conditions set forth herein, the City is willing to issue temporary certificate of occupancy for the Structure.

O. WHEREAS, Owner and the City intend this document to be a Development Agreement within the meaning of A.R.S. § 9-500.05.

Finally, the Parties agree that except as otherwise expressly provided herein, nothing in this Agreement shall restrict the Owner's rights to object to and pursue all legal remedies to obtain relief from any future conditions, stipulations, policies, procedures, resolutions or ordinances imposed by the City that Owner deems are illegal and/or beyond the scope of the City's statutory authority as applied to the Property.
