ABOUT US

The Commission provides leadership through the Arts, bringing community together to celebrate our diverse histories, beliefs, cultures, and aspirations. We strive to beautify the city, create public dialogue, advance education, and inspire civic pride.

We promote artistic excellence through public art that reflects our community's identity and values, create economically viable and enriching arts events, provide Arts advocacy in private and public arenas, develop opportunities for local and emerging artists, and support greater academic achievement through arts education.

GOODYEAR ARTS & CULTURE

The city's Arts & Culture Program continues to develop Arts opportunities that enhance the sense of community in Goodyear. The Arts elevate the quality of life for Goodyear residents and a vibrant Arts program creates "cultural economy" to catalyze the city's economic vitality.

THE COMMISSION USES ARTS TO

Integrate the vision of residents, businesses, and community leaders

Attract new and visiting populations to Goodyear

Create a foundation for defining a sense of place

Contribute to the development of a skilled workforce

Goodyear Arts & Culture continues to be recognized as an Arts leader in the West Valley. The Goodyear Public Art Program, under the direction of the Arts & Culture Commission, continues to grow the permanent public art collection and is developing a dynamic portable and temporary collection that fully engages residents. Programs and events highlight the performing and visual Arts to meet the evolving needs of our growing community. Through the combined efforts of City Council, Arts & Culture Commission, Goodyear residents and staff, we continue to grow a "Culture of Art" throughout Goodyear. Whether it is Arts events, programs, or public art, Goodyear is the destination for the Arts in the West Valley.
